

NOBLES – THIS IS IT

THE BEN HUR MERIT AWARD

Now ready for any and all Nobles who will work for the up building of Ben Hur Shrine. The Ben Hur Merit Award is a Badge of Distinction, a Symbol of Service to Ben Hur Shrine and an honor that every Noble should be proud to possess and wear. It cannot be bought. It cannot be conferred. It can only be earned.

On the other side of this sheet is a complete list of points that you can earn. These points are cumulative. They do not have to be earned in any one-month or any one-year. They are good until you have accumulated enough for the award. One thousand points (1,000) are required to earn the entire award. You can earn your award in phases as you accumulate points. The four phases are as follows:

Phase 1.	Neck Ribbon, Scimitar and Samsar Crescent	250 points
Phase 2.	Red rainbow Crescent	450 points
Phase 3.	Yellow Rainbow Crescent	650 points
Phase 4.	Star with Emerald	1,000 points

Bring in a new member, join the 100 Million Dollar Club, participate in as many activities as you can and you will be surprised how quickly the points add up.

You must keep your own record of points earned. *In fact, you may already have earned enough points to receive all or part of the award.* Start recording your points. Then, when you have accumulated enough points, turn in your record to the Ben Hur Shrine Recorder.

Ben Hur Shrine would like to see every Noble proudly wearing one of these prestigious jewels.
