POTENTATE MESSAGE—heinemanja@yahoo.com

Hello All,

February has brought in a lot of work. Janet and I have met with the Entertainment Committee Chairs and Chef Ernest to work out the menus for the year, looking good. Preparations are underway for the Ball on April 13th. It is looking good so far. Don't miss this one! Make sure you RSVP when the invitations go out.

On January 24, I redecorated our Explorer. We hit some water on the 45 Toll, hydroplaned and bounced off the wall. The visual damage wasn't too bad, except it

had dinner and met up with all our Counterparts. It is always great getting back with them! This was the first time that all 13 Texas Shrines were in attendance, which made it more special. On Friday, we got to work but there was some comic relief as we got to see all the Oriental Guides go through their rite of passage by introducing/establishing protocol, for their respective Divan. Our OG, Ricky Hayes, did pretty good, I will say. One thing about this part, the Judge, Mo Ramah, is tough by handing out hefty fines, but the Treasurer has the final say on the amount owed so no one is hurt too badly. All the money collected does go to the Shriner's Childrens.

After working out time and place for TSA 2027 as well as looking at several items, such as handling historical documents, around 100 years of TSA history, digitizing the TSA Directory to save money, looking at Web page maintenance and other items, we finished the conference in one day. The evening ended with food, entertainment, and fellowship.

From San Angelo, Janet and I headed back to Buda, loaded our dogs up along with Big Benny, the bear, and went to Galveston for the Shriners Hospital Galveston Mardi Gras Parade. We met up with Anthony and Elizabeth DeFrancis and proudly drove the Ben Hur Hospital Van in the parade. There was a lot of cheering going on and it is great to see how much the Shriners are appreciated.

I keep on mentioning participation and that is a focus Janet and I have for this year. Our weekends are full until after April as we represent Ben Hur at as many events as possible, busy but having FUN.

Nobles and Ladies

Our year as Chief Rabban has started with a bang, setting up fundraisers and planning for next year.

Started with signing contracts for the Mighty Thomas Carnivals to be at Pinballz in Buda during Easter for the following dates March 28 thru April 8, they will also be at the Dell Diamond during spring break.

We will be having a Shrine fundraiser, this will be the Gambler Returns Casino Night on Saturday March 16, this is open to the public, family and Masonic lodges, hope to see you there.

We will also be having a Preakness Derby party in May

Remember Shriners come from your lodges, so be sure to support and attend your blue lodges

Fraternally

ASSISTANT RABBAN - charlesemaddox@gmail.com

Illustrious Sirs and Nobles,

Grand Lodge has come and gone, and I cannot thank each of you enough for your support, both physically and morally, to help me get through the session. As the first Chairman of Masonic Jurisprudence from Ben Hur Temple since J. Carrol Hinsley, PP, I can only hope I represented the nobility of Ben Hur proudly as I was at the podium and on the dais. There's still plenty of work ahead of the Masons of Texas, and while the Grand Master did not ask me to repeat as Chairman (probably a mercy on his part), I look forward to continuing the work needed for all Texas Masons.

As we return from Grand Lodge, remember to maintain activity within your blue lodges. Blue lodges are from where we get our membership and if our future nobles can see that we are not only the leaders in our lodges, but also the ones having the most fun, they will be inclined to want to join. If each noble who reads this can find just one brother mason and ask him to join Ben Hur, imagine the membership gains we can make!

Fraternally,

HIGH PRIEST & PROPHET - fred.maynard@att.net

Nobles & Ladies,

These past few weeks have been very busy for me and Lady Traci. We attended the East West Shrine Bowl in Frisco, TX. It was awesome to see so many up-and-coming stars on the field. According to the East West Shrine Bowl Facebook page there were 92 players in the game that will be participating in the 2024 NFL draft in April. We had the opportunity to meet some of the family members of the players in the stands and they were so excited for their loved ones to be playing in this game.

We attended the "Wine to Die For" murder mystery presented by Ruhneb Daughters of the Nile and the Ben Hera Ladies Oriental Shrine. The ladies had a great event, we had fun, and some money was raised to help support Shriners Children's.

The TSA Divan Mid-winter was held in San Angelo; we had a great time catching up with our counterparts from across the state. We're already thinking about 2027, so look forward to some great events. Oriental Guide Ricky Hayes did a great job with his introductions.

We attended the Super Brue party at the temple with some friends. It was nice to see so many families participating. The Motley Brue did a good job putting this together. The food and beer were both delicious.

We will be hosting the Texas Association Legions of Honor Mid-winter conference in Austin February 29th through March 3rd. We are excited to have so many Shriners from across the country come to Austin for this event. I want to thank the Motley Brue for the "Arrrgh Matey Pirate Ale", they brewed us a special beer for the event.

Please continue to spread the Fun, Fellowship, and Philanthropy at Ben Hur.

We look forward to seeing you soon.

Fraternally,

Fred Maynard, HPP

ORIENTAL GUIDE - hayesre1@gmail.com

Hello Nobles and Ladies,

My first month as Oriental Guide has been fun, productive, and busy! Did I mention busy?

The week following the Divan Retreat in Marble Falls included the Director's Staff and Stated Meetings as well as Masonic Grand Lodge of Texas. The last week of January the Daughters of the Nile graciously extended an invitation to attend the banquet they were hosting for their Supreme Queen. Lady Angie and I were able to attend and we really enjoyed the meal, listening to the Supreme Queen speak, and the unit performances. They are an amazing group of women doing amazing work for the children!

February started with a clang (insert wine glass toasting sound here)!! Lady Angie and I attended the murder mystery dinner "Wine to Die For" that was hosted by Ben Hera Court No. 91, LOSNA, and Ruh Neb Temple No. 64, DON as their joint fundraising event. The actors were fantastic and fun, but we still couldn't guess the killer correctly! The evening also included silent and live auctions where we garnered many wonderful things!

Cheers to a successful evening!

Next we were off to San Angelo for TSA Mid-Winter. The first night we met our counterparts from the other Texas Temples and shared a phenomenal steak dinner with delicious sides prepared for us by the Suez Nobles and Ladies. Friday was a business day for the Nobles while the ladies had a luncheon and program. We attended the Friday night social where we enjoyed BBQ, fellowship, and a live band. Lady Angie and I had a wonderful time meeting and getting to know our counterparts as well as having some fun time to hang with the Nobles and Ladies of Ben Hur who attended.

Super Bowl Sunday found us back home at Ben Hur for the Motley Brue SuperBrue Party Fundraiser. It was a tailgate extraordinaire! Wings, Queso, Fries, Veggies, and some of the best brew around! Combine all that with family, fun, and football.....SCORE! Can't wait to do it again next year!!!

Yes, it has been a busy time but so much fun as well!

Fraternally,

Ricky Hayes

BEN HUR SHRINER SETS WORLD SKYDIVING RECORD AT 107

When Al Blaschke was ninety-seven years old, he was asked by his friend Betty Schleder, also a Sun City resident, if he would like to jump out of an airplane. Al's response was he would like to do that, but he wanted to wait until his one hundredth birthday. Well, true to his word Al did a tandem parachute jump from 10,000 feet to closely tie the world's record for the oldest person to jump out of an airplane. Al also said that he would do it again when he was one hundred and three to celebrate his two grandsons' graduations from college. While Al was happy about setting the world record but said he was more excited about spending the day with his grandsons.

Not too long after his historic record setting jump, Brother Blaschke had an occasion to visit with Governor Greg Abbot at Betty Schleder's home in Sun City. During their visit they spoke of Al Blaschke's accomplishments and setting a Guinness World Record. At the end of the visit, Governor Abbott said "I'll jump with you Mr. Blaschke". And he did. On November 27, 2023, after weather and scheduling delays, the dynamic duo of Shriner Al Blaschke and Texas Governor Greg Abbott boarded a twin-engine airplane and completed their buddy jump. Witnesses were on hand to verify the event for the Guinness World Record.

Al was born in Janesville, Wisconsin on January 4, 1917. He spent his working life as a craftsman in the tool and die trade. His skills as a tool and die maker were much more valuable to the US war effort than as a soldier. During WWII he helped manufacture airplane parts for the war effort. Al and his wife Eleanor retired to Arizona but later moved to Sun City in Georgetown to watch his grandsons grow up.

Brother Blaschke became a member of Lodge 307, Brookfield, Wisconsin in 1939. He received his fifty year service award in 1990 and the seventy-five-year award in 2015. He affiliated with Ben Hur Shrine in 2005 and is an avid golfer. At a stated Ben Hur Shrine meeting in the past year, Brother Blaschke excused himself early because he needed to get back home to Georgetown. Someone asked if he needed to go to bed early to which he replied, "I need to because I have an 8:00 AM Tee Time".

What's next for Brother Al? Is there a seat on the Space X shuttle? A touch and go moon landing?

ILL SIR CHUCK 'FESTER' JONES

A widow of one of our members from years ago dropped off a box of his masonic and shrine items. When we looked in the box one particular item was of great interest.

Chris Moore was at Ben Hur and I believe he is the curator of the Grand Lodge of Texas Museum. He estimated the apron is from the mid to late 1700s. It is hand drawn and stitched. Chris said it was one of the best examples of an apron from that era he has seen. He suggested framing it with acid free construction with museum quality glass. He also suggested that we display it in the entrance room as it would be under led lights and no direct sunlight. He was very excited about it.

We will press forward with this project and place the properly framed Apron in the

LEGION OF HONOR

“Well” snarled the snarled the tough old Navy Chief to the young Seaman. “I suppose after you get discharged from the Navy, you’ll just be waiting for me to die so you can come and dance on my grave.”

“Not me Chief!” the Seaman replied. “Once I get out of the Navy, I’m never going to stand in line again!”

We’ve got some interesting events happening at the Ben Hur LOH and would like to invite the Membership to a presentation by the Texas Veteran’s Land Board (TVLB) on 6 March. Even if you’re not a Veteran, you probably know someone who is! Everyone is welcome and this is a good opportunity to invite Veteran members of your Lodges to visit Ben Hur to get some interesting information.

The second guest speaker will be from the Texas Veteran’s Commission (TVC) to discuss education, job training and other programs available to Texas Veteran’s. We’ll have the TVC visit on 9 May at Ben Hur Shrine Center. This presentation is also open to anyone interested in learning more about the TVC.

Veteran’s! Come on out and visit with us the first Wednesday of each month at BHST to learn more about our club! It’s a great chance to connect with fellow vets and share experiences with folks who have been there and done that.

Yours In the Faith,

Noble S. Eric Stewart

Dear Fellow Joeys and Joeyettes,

A big thank you for the support of a few at the Mardi Gras Festival in Galveston. It was another great time of fellowship and fun with Nobles from other Temples and their families.

I want to thank the clowns that have paid their dues for this year. As of this writing, participation has waned to an unsustainable level. Without renewed interest and active participation by the membership, the SREKOJ unit may be required to fold. We are especially in need of ideas and participation in events to replace the Circus as the event we are best known for.

Endowment schedule for 2024. You can purchase all three, or one at a time. This is a great way to insure your dues are always current. Not to mention
